## CODING SKILLS

I began the UMN Full Stack Bootcamp in December of 2020 and have learned HTML, CSS, Bootstrap, JavaScript, Node.js and am on the way to finishing with a certificate in MERN.

## EDUCATION

University of Minnesota, Minneapolis, MN  
Currently in Full Stack Bootcamp

Saint Cloud State University, Saint Cloud, MN - Bachelor's Degree, Spring 2012  
I graduated magna cum laude with a major in International Relations and a minor in Military Science.

## PROFESSIONAL EXPERIENCE

FSA/HRA Electronic Eligibility Analyst, UnitedHealthcare - September 2015 to Present

My responsibilities as an Electronic Eligibility Analyst include solving complex issues for 112 groups by phone and email and pay close attention to detail. I maintain a high level of expertise in customer service to ensure accuracy of files processed. My job also includes conducting daily reporting comparisons using excel.

Senior Customer Service Representative, UnitedHealthcare - December 2013 to Sept 2015

My responsibilities as a Senior Customer Service Representative included communicating directly with members by phone from the call center, quickly assessing the members' needs in order to deliver an ideal solution, and employing a calm and professional manner at all times. My job also included taking escalated calls and working through complex account issues.

First Lieutenant, Minnesota Army National Guard - May 2009 to May 2019

My responsibilities as a logistics officer with the MN ARNG consisted of working independently, planning, prioritizing, organizing, and completing established objectives within drill weekends and annual training periods, during which I was responsible for planning company-wide training, developing and presenting inter-organizational briefings, for a company of seventy-eight Soldiers.
